

Forklifts and Other Powered Industrial Trucks

Chapter 296-863 WAC

Index

A

Access, employee protection, **400-3**
Acid, charging batteries on electric PITs, **300-10**
American National Standards Institute (ANSI)
 requirements
 design and construction, **200-3**
 high lift rider trucks, **200-6**
 labeling, (see note), **200-5**
Approved PIT use, hazardous locations, **500-2**
Attachments
 front end, labeling for, **200-5**
 operating with, **400-5**
Authorized persons
 definition, **700-1**
 repairs, **300-5**

B

Batteries, servicing, electric PITs, **300-10**
Battery charging areas, **300-9**
Blocking or chocking wheels, **400-10**

C

Carbon monoxide, specified levels (reference), **400-3**
Chapter application, scope, **100-1**
Chocking or blocking wheels, **400-10**
Classified (hazardous) locations (Class I, II, III)
 definition, **700-1**
 labeling, **200-5**
 repair of PITs in, **300-5**
 use of appropriate PIT in, **500-2**
Class I, II, III, hazardous (classified) locations, **300-5, 500-2**
Cleaning agents or solvents, hazards, **300-6**
Climbing, with loads, **400-5**
Commerce, US Department of
 powered dockboards, **400-8**
Construction (see design and construction)
Containers, LPG fueled, **200-8**
Control levers, **400-12**
Converting gasoline fuel PITs, **200-9**

D

Definitions, **700-1-5**
Design and construction
 equipment, **200-6-7**
 labeling, **200-5**
 liquefied petroleum gas, **200-8-9**
 manufacturing requirements, **200-3**
 modifications to, **200-4**
 overhead guards, **200-6**
Directional lighting, **200-7**
Dockboards (bridge plates)
 portable or powered, **400-8**
 loading or unloading, **400-9**
DOT, US Department of Transportation, **200-8**

E

Electrolyte
 spilled in battery charging areas, **300-9**
 levels, storage batteries in electric PITs, **300-10**
Electric PITs, servicing batteries, **300-10**
Elevated work platforms, **400-13**
Elevators, using, **400-7**
Employee protection around PITs, **400-3**
Equipment, design and construction, **200-6-7**
Evaluating
 operator performance, **600-6**
 trainee competence, **600-2**
Exemptions
 altering or modifying, LPG conversion, **200-4**
 chocking or blocking wheels, highway trucks, **400-10**
 high-lift rider trucks, overhead guard, **200-6**
 repair, container shut-off valve, **300-5**
 PITs, **100-1**

F

Fall arrest equipment, personal, **200-7**
Fall protection, order pickers, **200-7**
Falling objects protection, overhead guards, **200-6**
Filling fuel containers, **300-8**
Fire protection, battery charging areas, **300-9**

Forklifts and Other Powered Industrial Trucks

Chapter 296-863 WAC

Index

Fork Trucks, **100-1**
Forklift trucks, rough terrain, **200-3**
Freight car doors, opening or closing, **400-9**
Front-end attachments, labeling for, **200-5**
Fuels, liquid, handle and store, **300-7-8**
Fuel containers
 filling, **300-8**
 liquefied petroleum gas (LPG) fueled PITs, **200-8**
Fuel systems
 liquefied petroleum gas (LPG), **200-8**
 repair, **300-5**

G

Gasoline fueled PITs
 servicing, **300-7**
 converting to liquefied petroleum gas (LPG) fueled PITs, **200-9**
Guardrails
 order pickers, **200-7**
 work platforms, **400-12**
Guarding operators, falling object protection, **200-6**

H

Hand trucks, motorized, **100-1, 400-7**
Handling and storage
 batteries, **300-9**
 liquid fuels, **300-7**
 liquefied petroleum gas (LPG) fueled PITs, **300-8**
Hazardous (classified) locations
 definition, **700-1**
 labeling, **200-5**
 repair of PITs in, **300-5**
 use of appropriate PIT in, **500-2**
Harness, safety
 definition, **700-4**
 fall protection, **200-7**
Hazards, cleaning agents or solvents, **300-6**
High-lift rider trucks, exemption and overhead guards, **200-6**
Highway trucks, loading or unloading, **400-10**
Horn, when to sound, **400-4**
Horseplay, operators, **400-3**

I

Indoor use, fuel system, **200-8**

Inspection, **300-4**

L

Labeling PITs, **200-5**
Lanyard
 definition, **700-3**
 fall protection, **200-7**
Lap-bars, **400-3**
Leaving PITs unattended, **400-6**
Lifting platforms, **400-12**
Lighting, directional, **200-7**
Liquefied petroleum gas (LPG) fueled PITs
 conversion of gasoline fueled PITs, **200-9**
 fuel containers, **200-8**
 parking, storing, **400-11**
 service, **300-8**
Loading or unloading
 dockboards (bridge plates), **400-9**
 highway truck or trailer, **400-10**
 railroad cars, **400-9**
 training, **600-2**
Loads
 carrying, **400-5**
 training, **600-2**
 vertical backrest extension, **200-6**
LP or LPS designations
 conversion from gas to LPG, **200-9**
 definitions, **700-3**

M

Maintaining PITs, **300-6**
Manufacturer
 design and construction, **200-3-4**
Maximum filling density, fuel tanks, **300-8**
 instructions for inspecting, **300-4**
 maintenance according to, **300-6**
Modifications to PITs, **200-4**
Motorized hand trucks, **400-7**

N

Nameplates, PITs, **200-5**
National Fire Protection Association (NFPA)
 Flammable and Combustible Liquids Code (NFPA No. 30-1996), **300-7**
 Storage and Handling of liquefied petroleum

Forklifts and Other Powered Industrial Trucks

Chapter 296-863 WAC

Index

gases (NFPA No. 58-1998), **300-8**
Normal operating position
elevated work platforms, **400-13**
operator leaving, **400-6**

O

Opening or closing, freight car doors, **400-9**
Operating condition
hazardous locations, table **1, 2, 500-4-5**
safe, **300-9**
Operating PITs
dockboards (bridge plates), **400-8**
elevators, **400-7**
general, **400-3-6**
highway trucks,
motorized hand trucks, **400-10**
railroad tracks, **400-6**
lifting people, **400-12-13**
liquefied petroleum gas (LPG) fueled PITs, **400-11**
Operators
elevated work platforms, **400-13**
employee protection, **400-3**
falling object protection, **200-6**
leaving PITs unattended, **400-6**
retraining, **600-5**
safe operation, **400-4**
training, **600-2, 600-6**
Order pickers, fall protection, **200-7**
Outdoor use, fuel systems, **200-8**
Overhead guards, **200-6**
design and construction, **200-6**
falling object protection, **200-6**

P

Parking or storing, liquefied petroleum gas (LPG)
fueled PITs, **400-11**
Platform
lift trucks, **100-1**
lifts, **400-12**
Performance, evaluating operators, **600-6**
Personal fall arrest equipment, **200-7**
Portable or powered dockboards (bridge plates),
400-8
Powered industrial trucks (PITs)
electric, **300-10**

gasoline fueled, **300-7**
high lift rider trucks, **200-6**
liquefied petroleum gas (LPG), **200-8-9, 300-8, 400-11**
motorized hand trucks, **400-7**
order pickers, **200-7**

Prohibited use of (PITs) (note), **500-4**

R

Railroad cars, loading or unloading, **400-9**
Railroad tracks, operating near, **400-6**
Recordkeeping, **600-5**
Remove from service (when to), **300-3**
Repair, **300-5**
Restraint devices, **400-3**
Retraining, operators, **600-5**

S

Safe distance, traveling, **400-4**
Safe working condition
(See safe operating condition)
Safety
batteries, charging, **300-9-10**
operations, **300-3, 400-4-5**
working conditions, **300-3**
Scope, chapter application, **100-1**
Seatbelts, **400-3**
Servicing
batteries, **300-10**
gasoline fueled, **300-7**
liquefied petroleum gas (LPG) fueled, **300-8**
Shut-off valve, container, **300-5**
Smoking, prohibited, battery charging areas,
300-9
Storage
batteries, electrolyte levels, **300-10**
liquid fuels, **300-7**
liquefied petroleum gas (LPG) fueled PITs,
400-11

T

Table 1, 2, 3
approved PIT use in hazardous (classified)
locations, **500-2**

Index

Chapter 296-863 WAC

Index

Table 4, required training topics, **600-4**

Toeboards, **400-12**

Tractors, **100-1**

Traffic regulations, **400-4**

Trailers, stabilizing (note), **400-10**

Training

operators, **600-2-6**

program, defined, **600-2**

retraining or refresher training, **600-5**

when not required (note), **600-3**

Trainee competence, evaluating, **600-2**

Transportation, US Department of,

liquefied petroleum gas (LPG), **200-8**

Traveling

loads, **400-5**

safe operation, **400-4**

Truck or trailer, chocking or blocking wheels,
400-10

Trucks, specialized industrial, **100-1**

Types (of PITs) and approved use locations
(tables), **500-2**

U

Unattended PITs, **400-6**

Unauthorized, operators, **400-3**

Unclassified locations, **500-2**

US Department of

Commerce, for powered dockboards, **400-8**

Transportation, for Liquefied petroleum gas
(LPG), **200-8**

Use, approved in hazardous (classified)
locations, **500-2**

V

Ventilation

battery charging areas, **300-9**

maintenance, **300-6**

operating liquefied petroleum gas (LPG),
400-11

table 4, required training topics, **600-4**

Vertical load backrest extension, **200-6**

W

Weight

Labeling, **200-5**

Work platforms, **400-12-13**

Written approval, modifications to PITs, **200-4**
